BY FAX TO Examiner Allan Hoosain  
703-872-9306

Dear Examiner Hoosain,

This is a follow-up to the phone messages we have been exchanging.

I would appreciate it if you would check the status of the following two applications.

In 08/734,857, you had allowed the application and the issue fee was paid. The PTO website indicates that the payment was received, but has not been matched with the application yet. I would appreciate it if you could advise me if anything further needs to be done.

In 09/734,163, I have not received a response to the amendment dated August 26, 2004, which I think should have placed the application in condition for allowance (if I understood the rejections). I also have not received a postcard receipt. Again, I would appreciate it if you could let me know where this application stands. If the amendment did not resolve your concerns, and you think a telephone conversation might do so, please feel free to call me at 410-837-5127, or contact me by email at [oppenhei@alumni.princeton.edu](mailto:oppenhei@alumni.princeton.edu).

Thank you for your assistance.

Sincerely,

Max Oppenheimer
